The Donbass is home to the largest clay deposits in the world. Because of our long-standing personal and business relationships with employees of the clay mining companies in the Donbass, we are offering 100 bottles of **CLAYBORN** as **Народжений із Глини** solidarity edition. As well as a 10 € donation surcharge, all profits from sales are transferred to Ukraine Aid Druzhkovka to support the 'clay miners' and their families affected by the war.
